

# PROJECT HELP

## PEOPLE HELPING PEOPLE

### 100% Community Driven

You can make a difference in the lives of people in your community. Project Help is a program funded by people just like you. Community Action Agency partners with Clarksville Department of Electric, Cumberland Electric Membership Corporation and Clarksville Gas & Water Department. Each month donations are collected and sent to Community Action Agency. Those donations are used to help households with electric, gas, and water. You can donate as much as you want and include the donation with your monthly payment to CDE, CEMC and Gas & Water.

**Donate Now.....**

**Clarksville Dept. of  
Electricity**

**Cumberland Electric  
Membership Corp.**

**Clarksville Gas &  
Water Dept**

**Instructions on how to  
donate are located on the  
back of your utility bill!!**
